

ZL2VH Newsletter – February 2018

President's Report

Already it's February and things are moving along. We have had our Friday night meeting up Mt Climie at the repeater site and I intend to have at least one more before the end of daylight saving.

We will not be doing the Wallaceville Hill Climb this year, as it is on the Sunday that Jock White is being held. We may have an alternative fundraising activity later in the year down the Wainui Coast Rd.

Thanks to the efforts of Brian – ZL2CHV we have secured a new location to run the Jock White Field Day this year. It's the Upper Valley Gliding Club in Kaitoke.

We will be there in force this year with the caravan, 80m antenna and mast, the STSP repeater and whatever people bring along. We will be overnighing on site, and there are facilities available for us to use. Brian would also like to run HF weekends there during the year as well.

Camping is available for about \$10 pp a day. BYO gear, food and liquids. Details will be emailed out closer to the time.

This year we intend to replace the batteries on 730, install IRLP and possibly a YSF hotspot up at Mt Climie.

73 and Good DX

Mike ZL2NSA
Br63 President.

Repeater Update

No report has been received this month.

We are always looking for articles to fill the pages of newsletter. Please forward anything, no matter how large or small, to the editor - Eric ZL2SET – ericwilby@gmail.com.

IRLP News

The IRLP node is now up and running. This from John ZL2TWS:

Gents, see the web page info here:
